The School Bus and Driver Traffic Safety Division of DMV is responsible for the issuing of the Restricted Permit needed by students to drive the driver education vehicle during the behind-the-wheel phase. Without this permit we cannot schedule students for behind-the-wheel.

School Bus and Traffic Safety representatives have given JDS the following dates for eye checks.

1. Friday, September 25, 2020
2. Friday, October 2, 2020
3. Friday, October 9, 2020
4. Friday, October 16, 2020

Eye checks will be done at the following site locations:

3. South Mecklenburg High School
4. West Mecklenburg High School

The eye check times will be from 3:15 P.M. to 5:00 P.M.
